PLAIN AND FANCY BOOK AND JOB PRINTING IT BILL-HEADS, VISITING, BUSINESS AND ADDRESS

Thankfulness.

ADELAIDE ANNE PROCTOR. My God, I thank Thee who hast made The earth so bright; So full of spiendor and of joy, Beauty and light; So many glorious things are here,

ARDS printed in the highest style of the art.

Noble and right. I thank Thee, too, that Thou hast made Joy to abound;

So many gentle thoughts and deeds

Circling us round, That in the darkest spot of earth Some love is found.

I thank Thre more that all our joy Is touched with pain;

That shadows fail on brightest hours, That thorns remain:

So that earth's blass may be our guide And not our chain.

For Thou, who knowest Lord how soon Our weak heart clings, Hast given us joys, tender and true, Yes all with wings,

So that we see, gleaming on high, Diviner things. I thank Thee, Lord, that Thou has kept

The best lo store: We have enough, yet not too much To long for more;

A yearning for a deeper peace Not known before. I thank Thee, Lord, that here our souls, Though amply blessed,

Can never find, although they seek,

A perfect rest-Nor ever shall, until they lean On Jesus' breast.

VARIETY.

What is the difference between a mouse and the toothache? One cats cheese, the other cheats

The difference between the cook and her lover is, the one cooks the meat, and the other me:ts When your pocket-book gets empty, and every-

body knows it, you can put all your friends in it and it won't "bulge out" worth a cent. PROVIDED .- As to the familiar problem, What is home without a mother? a Brooklyn boy says

that it is a very pleasant place, provided she leaves the key of the pantry behind her. Hypocritical.-There is a vile hypocrite in

Bethlehem, Pa. He actually entertained a company in honor of the anniversary of the birthday of his mother-in-law. "Where a woman," says Mrs. Partington, " has been married with a congealing heart, and

never want to enter the marriage state again." A Michigan man couldn't find a comb or a bairbrush in a Kansas hotel, and when he complained GROCERS AND PROVISION DEALERS, about it the landlord replied: "If you are so particular as all that, you ought to have brought

the Astor House along with you." A Firehburg (Mass.) conductor, with rare accommodation, stopped his train the other morning for a woman, who was rushing wildly after it. She thanked him warmly, casually remarked that she had forgotten to kiss her husband, made good the omission, and then strolled home again. And that conductor abused the happy husband all the

way to Worcester. A schoolmaster, from mere curiosity, put the question to the scholars, "What is nothing?" A pause ensued, until an urchin, whose proclivities for turning a penny were well known among his school-fellows, got up and replied: "It's when

a man asks you to hold his horse, and just says thank you." The answer has since earned considerable notoriety for the youngster. Anybody wishing to speculate in real estate can buy a house in New York cheap. It is situated

between two churches that have clocks; and that's the reason Mr. Johnson wants to sell it. One of these is invariably a second or two behind the other; consequently when Johnson stops out until 1 o'clock, as he often does, Mrs. Johnson says to him, as each of the clocks strike 1: "There! A nice time for a married man to come home-2 o'clock!" Johnson, like the gay old sport he is, thought he might as well stay out until 2, inas-much as he got the blame for it. So he stayed, and Mrs. Johnson she stayed too-she stayed up until he got in, and made him listen as the clocks struck 4. Then she threatened to go to her mother or get her ma to come live with her, as it was impossible to live all alone in the house. This kind of frightened the old fellow; so he came is the next night before 12 o'clock, and as those clocks commenced a duet at 12 and jingled out twenty-four strokes, he looked at his wife with a smile, as if to say: "Now I've got you!" She began to cry, and said he stayed out until "all hours." Thus it is that Johnson is grieved and wishes to dispose of his property.

"DE PERVISIONS, JOSIAR."-A sapient looking Fayetteville darkey, oscillating between twenty and twenty-five summers, overtook an old negro on the street the other day, and wedging him in a fence corner, proceeded to acquaint him with all the gorgeous provisions of the Civil Rights Bill. Young Africa imparted to old Africa a fund of valuable information, thusly:

"Well, Uncle Billy, Sumner's swivel rights bill has passed de Senate ob de United States widout a murmur." " Is dat so, Josiar?"

"Jess so, Uncle Bill. And say, Uncle Billy, we colored pussons is gwine to see whose pervisions is in de pot. We are gwine to be allowed to ride free on de railroads, smoke in the ladies' car, and put our feet on de percussions ob de seat's wheneber we dam please.' "Is dat so, Josiar ?"

we's gwine to be allowed to stop at de hotels, and Honestele, H. I. BONGEOPATHIST. 63 FORT STREET. eas at the bend ob de table, and bab de biggest slices ob de chickens, and lay around in de parlor, and spit on de carpets and make de white trash hastle themselves and wait on us widout grumblin', and wheneber de boss ob de concern shoves a bill at us, we'll hab him sent to Washington and obscured in the Plenipotentiary."

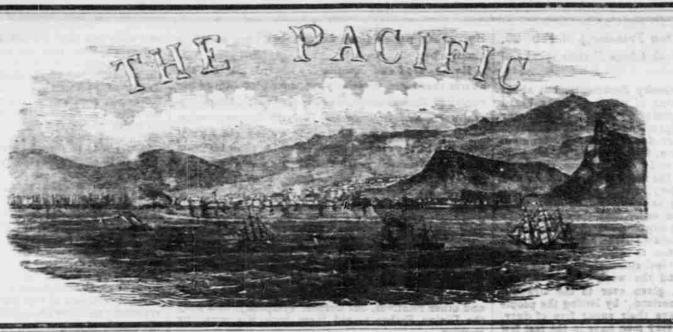

"Is dat so, Josiar?" Jess so, Uncle Billy. And say, Uncle Billy, we's gwine to be allowed to go to de white schools and set up on de flatform wid de teacher and learn gehography, trigger-manometry, gehominy, Latin, Dutch, French, Choctaw, algebray, rheumatics, de rule of thrice, and de diarrhea.

"Good God! is dat so, Josiar?" "Jess so, Uncle Billy. And say, Uncle Billy, we's gwine to be allowed to be buried in italic coffine wid looking-glasses on top ob dem, and dey will hab to carry us on a herrse to de grabe yard and bury us on top ob de white folks, so when de day ob resurrection am arrived and de angle Gabriel come tootin' along, he'll sing out troo his trumpet: 'All you colored gemmen rise fust!'
And say. Uncle Bill, de pervisions ob dat bill-"

"What's dat you say bout pervisions, Josiar?" "Well, Uncle Billy, as I was gwine on to state, de pervisions ob dat bill-"Stop right dare, Josiar. You say dare's pervisions in dat bill?"

"Jess so, Uncle Billy. De pervisions ob de Stop right dare, Josiar. Ef dare's pervisions in dat bill, I want a sack ob flour dis berry minnit. Dam de smokin' in de ladies car, and de gehography, and Latin, and de italic coffins! I want de pervisions, Josiar. Dey's all dere is in de bill wuff a dam cent!"-Fayetteville (Ga.)

THE HAWAIIAN ISLANDS ARE noted the world over for their unrivaled salubrity of climate. Certain localities in the group are especisliy favored in this way.—The District of Kon., a the leward side of kinwall, has long been tamed as a pince of resort for invalids with bronchital, or lung disease. With its pure and mild atmosphere, with its absolute freedom from storms or high winds, with its porous soil which, with all its rich vegetation, retains no dampness and yields no malaria, and with an unvarying temperature—that of the American or Southern European June—ALL THE YEAR ROUND, the CIGARS!
